- Install and **manage related SAP systems** (ADS, BW4, BO, Content Server, SAPRouter, SEN, SAP Solution Manager, SAP Webdispatcher, etc.).
- Perform **technical operations** as part of SAP migration/conversion projects, ensuring a smooth switch to production over a weekend.
- Manage the various phases of projects and relationships with key stakeholders (clients, SAP, data centers, hardware suppliers, etc.).

Ongoing SAP RUN Activities:

- **Implement operational and administrative procedures** for our clients' SAP solutions.
- Define and implement **TME services** (defining tasks included in the TME package, upgrades, security reviews, etc.).
- Carry out **various SAP administration** tasks outlined in TME and TMA contracts.
- Regularly analyze and apply **SAP security patches** (OSS notes, Kernel, Support Packages, etc.).
- Perform SAP environment copies (Refresh).
- **Handle incident management**.
- Participate in **on-call duties under SAP outsourcing** contracts.
- Analyze and apply recommendations from **EarlyWatch Alert reports**.
- Execute the various tasks planned in the SAP outsourcing contracts.

Management Activities:

- Manage, lead, and document steering committees (technical committees, project committees) for SAP outsourcing and technical projects.
- Ensure **compliance with service level agreements** (SLA).
- **Coordinate various stakeholders**.
- Oversee the contractual relationship with clients.
- Ensure adherence to the technical and service scope.
- Manage and **maintain client relationships within your SAP areas of expertise**, ensuring that commitments are met.
- **Analyze user needs and implement solutions** within your area of expertise.
- Identify the most suitable resource to handle each specific task.

Requirements:

- **Advanced expertise** as an SAP BC Consultant and **solid experience** in SAP HANA migration and S/4HANA conversion projects.
- Experience in SAP HANA migration and S/4HANA conversion projects.
- Teamwork skills.
- **Strong writing** and documentation abilities.
- Autonomy.
- Attention to detail and precision.
- Proactivity.
- **Customer service mindset** and relationship management.
- Analytical mindset, with a **passion for problem-solving**.
- Recognized team player, known for collaboration and communication.

Language skills:

- **French proficiency** (mandatory)
- **Portuguese proficiency** (mandatory or EN speaker)
- **Professional/technical English**, with the ability to handle calls, meetings, and emails with clients independently (a plus)

The company:

Applium has over 20 years of operational consulting, SAP implementation, and process optimization.

The 130 consultants, located throughout France, and now Portugal, support clients by optimizing business processes and delivering SAP solutions through design, configuration, user support, and technical expertise.

As a human-sized company, they prioritize controlled growth (20 to 30 hires per year) while remaining independent.

Since 2008, Applium has been an SAP France partner, offering exclusive access to new solutions, documentation, and SAP experts ensuring our consultants stay at the top of their game.

They work with 100+ active clients, including Adoma, Boulanger, Business France, Daher, Dassault Aviation, Elkem Silicones, Groupama, Jtekt, Lohr, Régie des Transports de Marseille, Sabena Technics, and more.
