Job Summary

Vacancy :

Deadline : Apr 17, 2025

Published : Mar 17, 2025

Employment Status : Full Time

Experience : 1 - 3 Years

Salary : 40k € annual gross

Gender : Any

Career Level : Entry Level

Qualification :

Responsibilities

- Ensure, in conjunction with the Group Finance Managers, the maintenance and evolution of the Group Core Model (set of business rules).
- Provide level 2 user support via:
- **Analysis of needs** expressed by the business to identify solutions.
- **Drawing up specifications** for these solutions (development, parameterization, etc.).
- Collaboration with the **developers responsible for MD365 upgrades**.
- Execute and **organize tests** in collaboration with finance teams.
- Communicate and, in some cases, train finance teams in the new functionality implemented.
- **Follow-up production** roll-out of MD365 changes.
- Monitor Microsoft solutions and **act as the main point of contact for the Microsoft team** (participation in events announcing new features, participation in the user community, etc.).
- **Monitor developments in applications interfaced with the ERP**, analyze impacts and update target application mapping.
- Participate in documentation and **training/change management**.

This position is open to recent graduates, and the successful candidate will receive full training and certification in the Microsoft Dynamics 365 environment.

Requirements:

- You have **3 years' higher education in IT** and **1 to 2 years' professional experience** (including work-linked training).
- You have a **financial background**.
- Ideally, you are familiar with the Microsoft environment (Microsoft Dynamics 365 Finance & Operations)
- You have strong interpersonal and **speaking/writing skills in French**.
- You are highly organized and rigorous.
- You can make proposals and take the initiative.
- You are curious and keen to learn.

About the company:

Reach IT empowers businesses through tailored IT solutions, focusing on impact and talent development. Their services include:

1. **Outsourcing Team**: Scalable, on-demand expertise to bridge talent gaps and ensure operational excellence.
2. **Product Delivery Team**: End-to-end product development with agile innovation and quality assurance.
3. **Hub Partner in Portugal**: Strategic partnerships to help businesses expand, share expertise, and drive growth.

They deliver results, accelerate product roadmaps, and enable industry leadership.
